

Impostrip Absolutely Imposing

No clicks, no steps, no wizards, just impose it and print it!

Absolutely Imposing is the easiest-to-use and most comprehensive professional imposition plug-in available for Adobe® Acrobat®. Absolutely Imposing provides absolute simplicity in creating booklets, organizing step-and-repeat jobs, cutting and stacking, creating perfect bound books, and much more including producing multiple ups. Thanks to Ultimate's Dynamic Templates™, it is extremely flexible and yet simple to use, and with the full power of Ultimate's Impostrip engine built-in, Absolutely Imposing can easily handle a wide variety of professional imposition needs all at a very attractive price compared with its competitors.

Benefits

- Let's you complete all your projects from Acrobat®.
- Eliminates imposition steps and reduces chances for errors.
- Smart: remember your preferences from job to job.
- Absolute ease of use - no training!

Key Features

- Professional Imposition for all bindery types.
- Available for Mac OS® X and Windows®.
- Use Best fit imposition (Mac only).
- Full control over creep, bleed and marks.
- Dynamic templates do multiple sizes automatically.

Choose your binding method (perfect bound, saddle-stitch, cut & stack, step & repeat) or scheme (booklets, nup book, duplex N-up, simplex N-up...). You can orient your binding to the left, right, top or bottom.

Single or double sided?

Choose your marks (cut folding, info ID, annotation, double cut, registration, page outline frame, paper delimiters for proofing). You can also have a text mark such as a slug line.

Choose the layout you wish to use and watch the "fitting room" preview. You can adjust your gutter and margin and control the space between the pages.

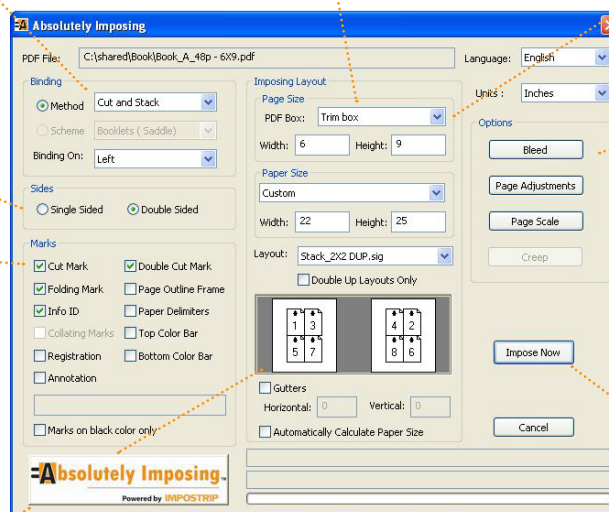

Select your paper size. You may also save up to 10 custom sizes for future use.

Choose which box to use: trim, crop or media to help you ensure centering and bleed control.

Options that will give you full control over bleed, automatic creep calculation based on paper thickness, page adjustment to shift your page and page scale.

Impose now!

Absolutely Imposing opens a new PDF with imposed job and leaves the original PDF open for you to compare and check.
